**To: The Chevy Chase Village Board of Managers
c/o The Chevy Chase Village Staff,**

As current chairpersons of the Chevy Chase Village Children, Youth and Families committee, we would like to appoint Rosemary Sump to join us a co-chairman. We would like your permission to restructure our committee so Kristen Best and Jill Watson will plan events for the younger children ages 0-7 and Minh-Ngoc Le and Rosemary Sump will plan events for the older children ages 8-16. We feel dividing our committee this way will help us to better plan events for Village children of all ages.

Rosemary, her husband, Mark and their three children used to live on Primrose Street from 2001-2005. They just moved back to the Village in February and live on Oxford Street.

Rosemary has many creative ideas for events we can plan this summer and fall and has even suggested we do some service oriented projects as well. We know you will agree that she will be a welcome addition to the Children, Youth and Families Committee.
